

SOPREMA

Building for Life

Moduł linii produkcyjnej

287 klocków

13 x 13 x 14 cm

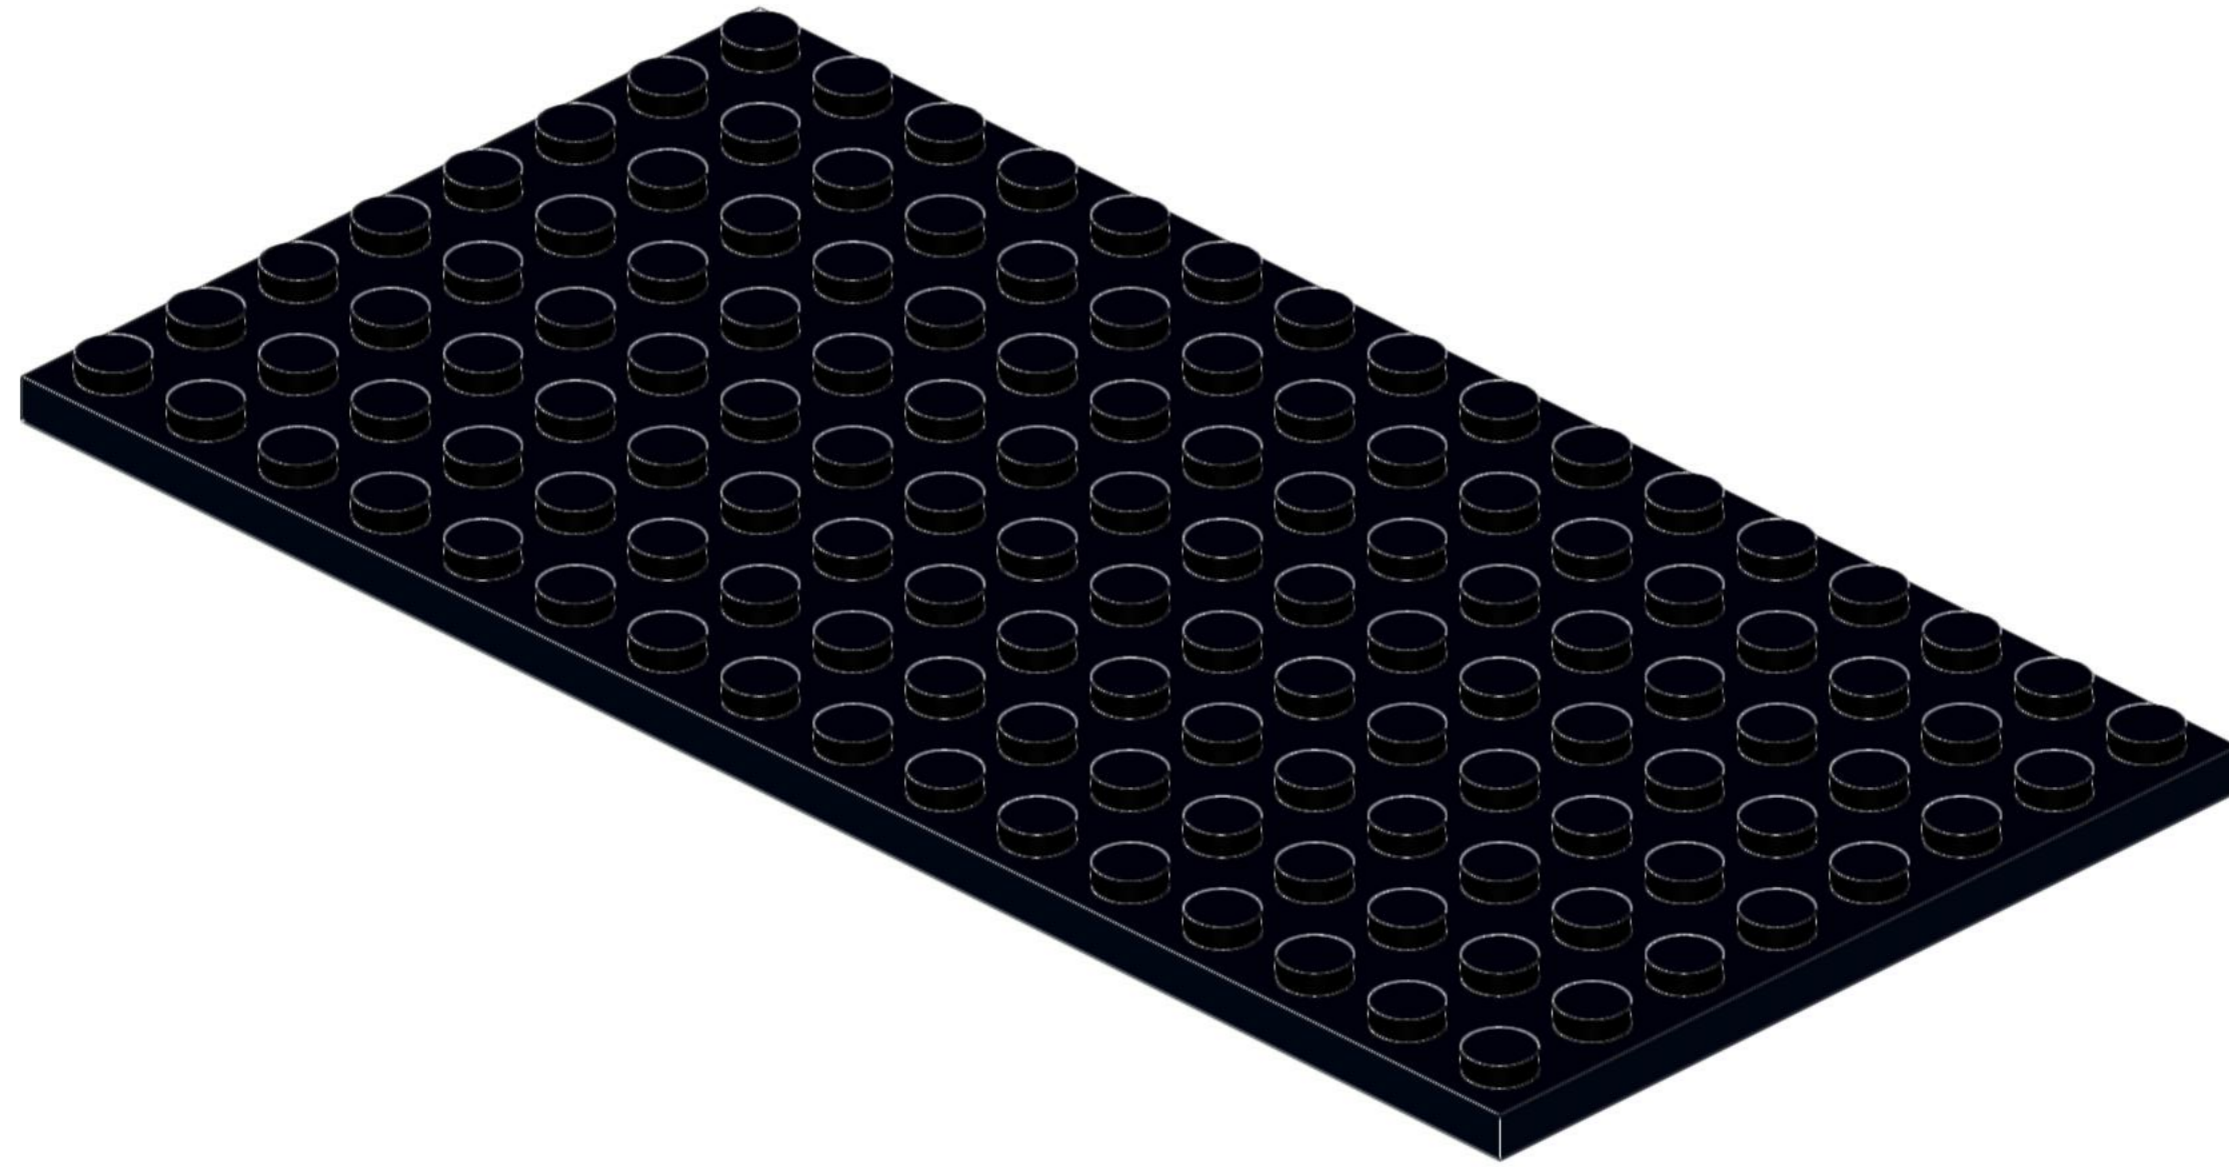

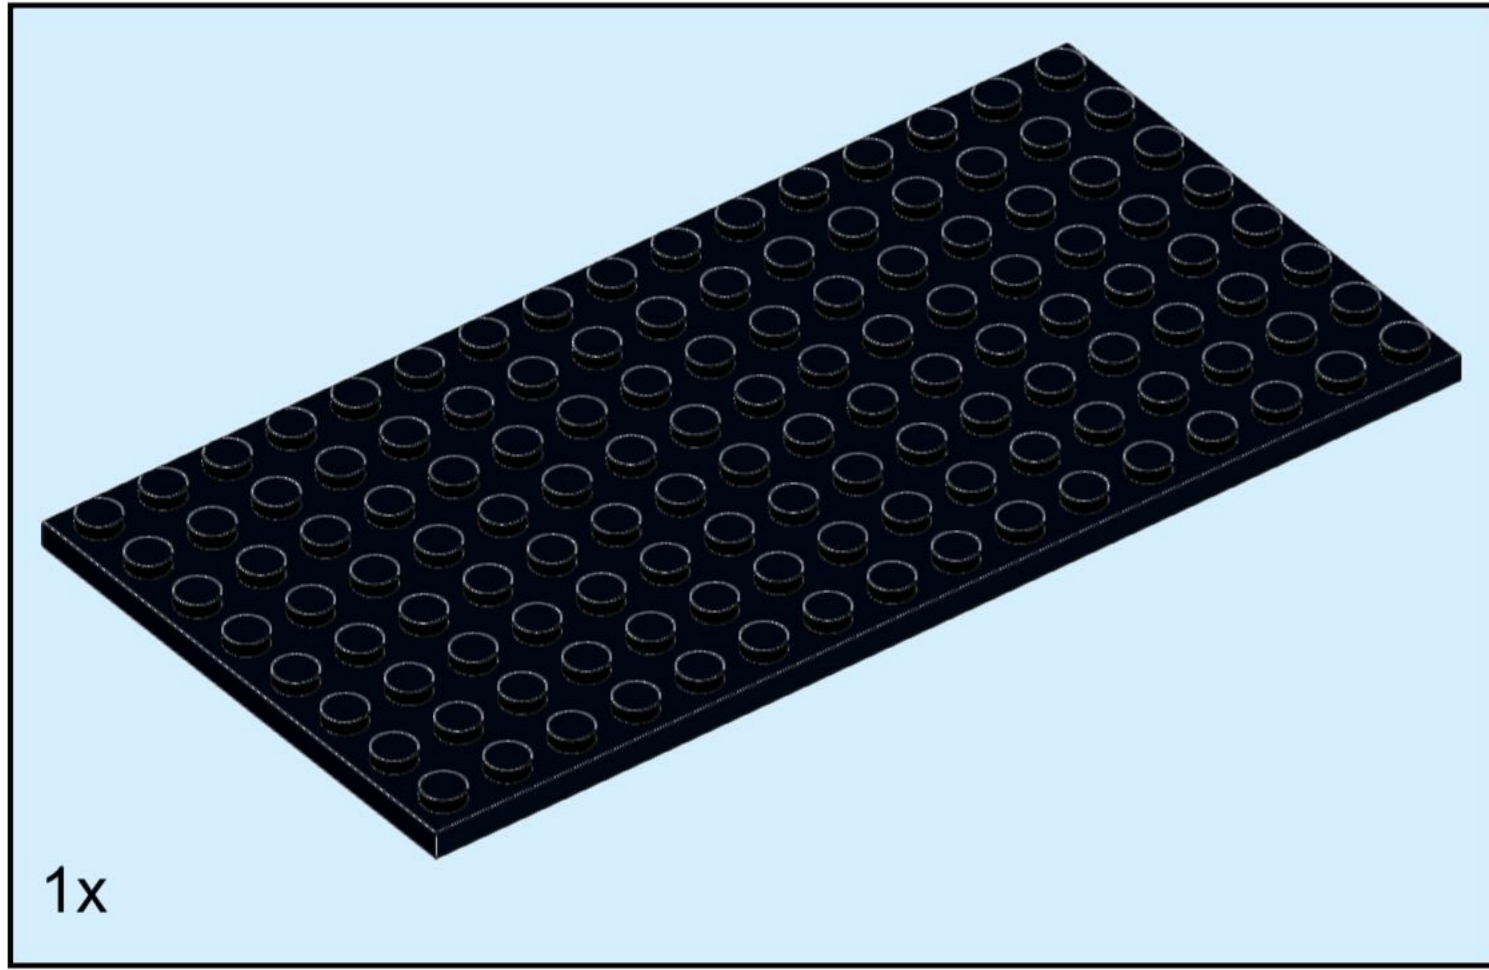

Ten model przedstawia fragment naszej linii produkcyjnej – symbol współpracy, precyzji i zaangażowania, które każdego dnia mają ogromną wartość. Tak jak te elementy tworzą spójną strukturę, tak wspólne działania budują trwałe relacje, rozwój i jakość, na których można polegać.

Dziękujemy, że jesteś ważną częścią tej historii.

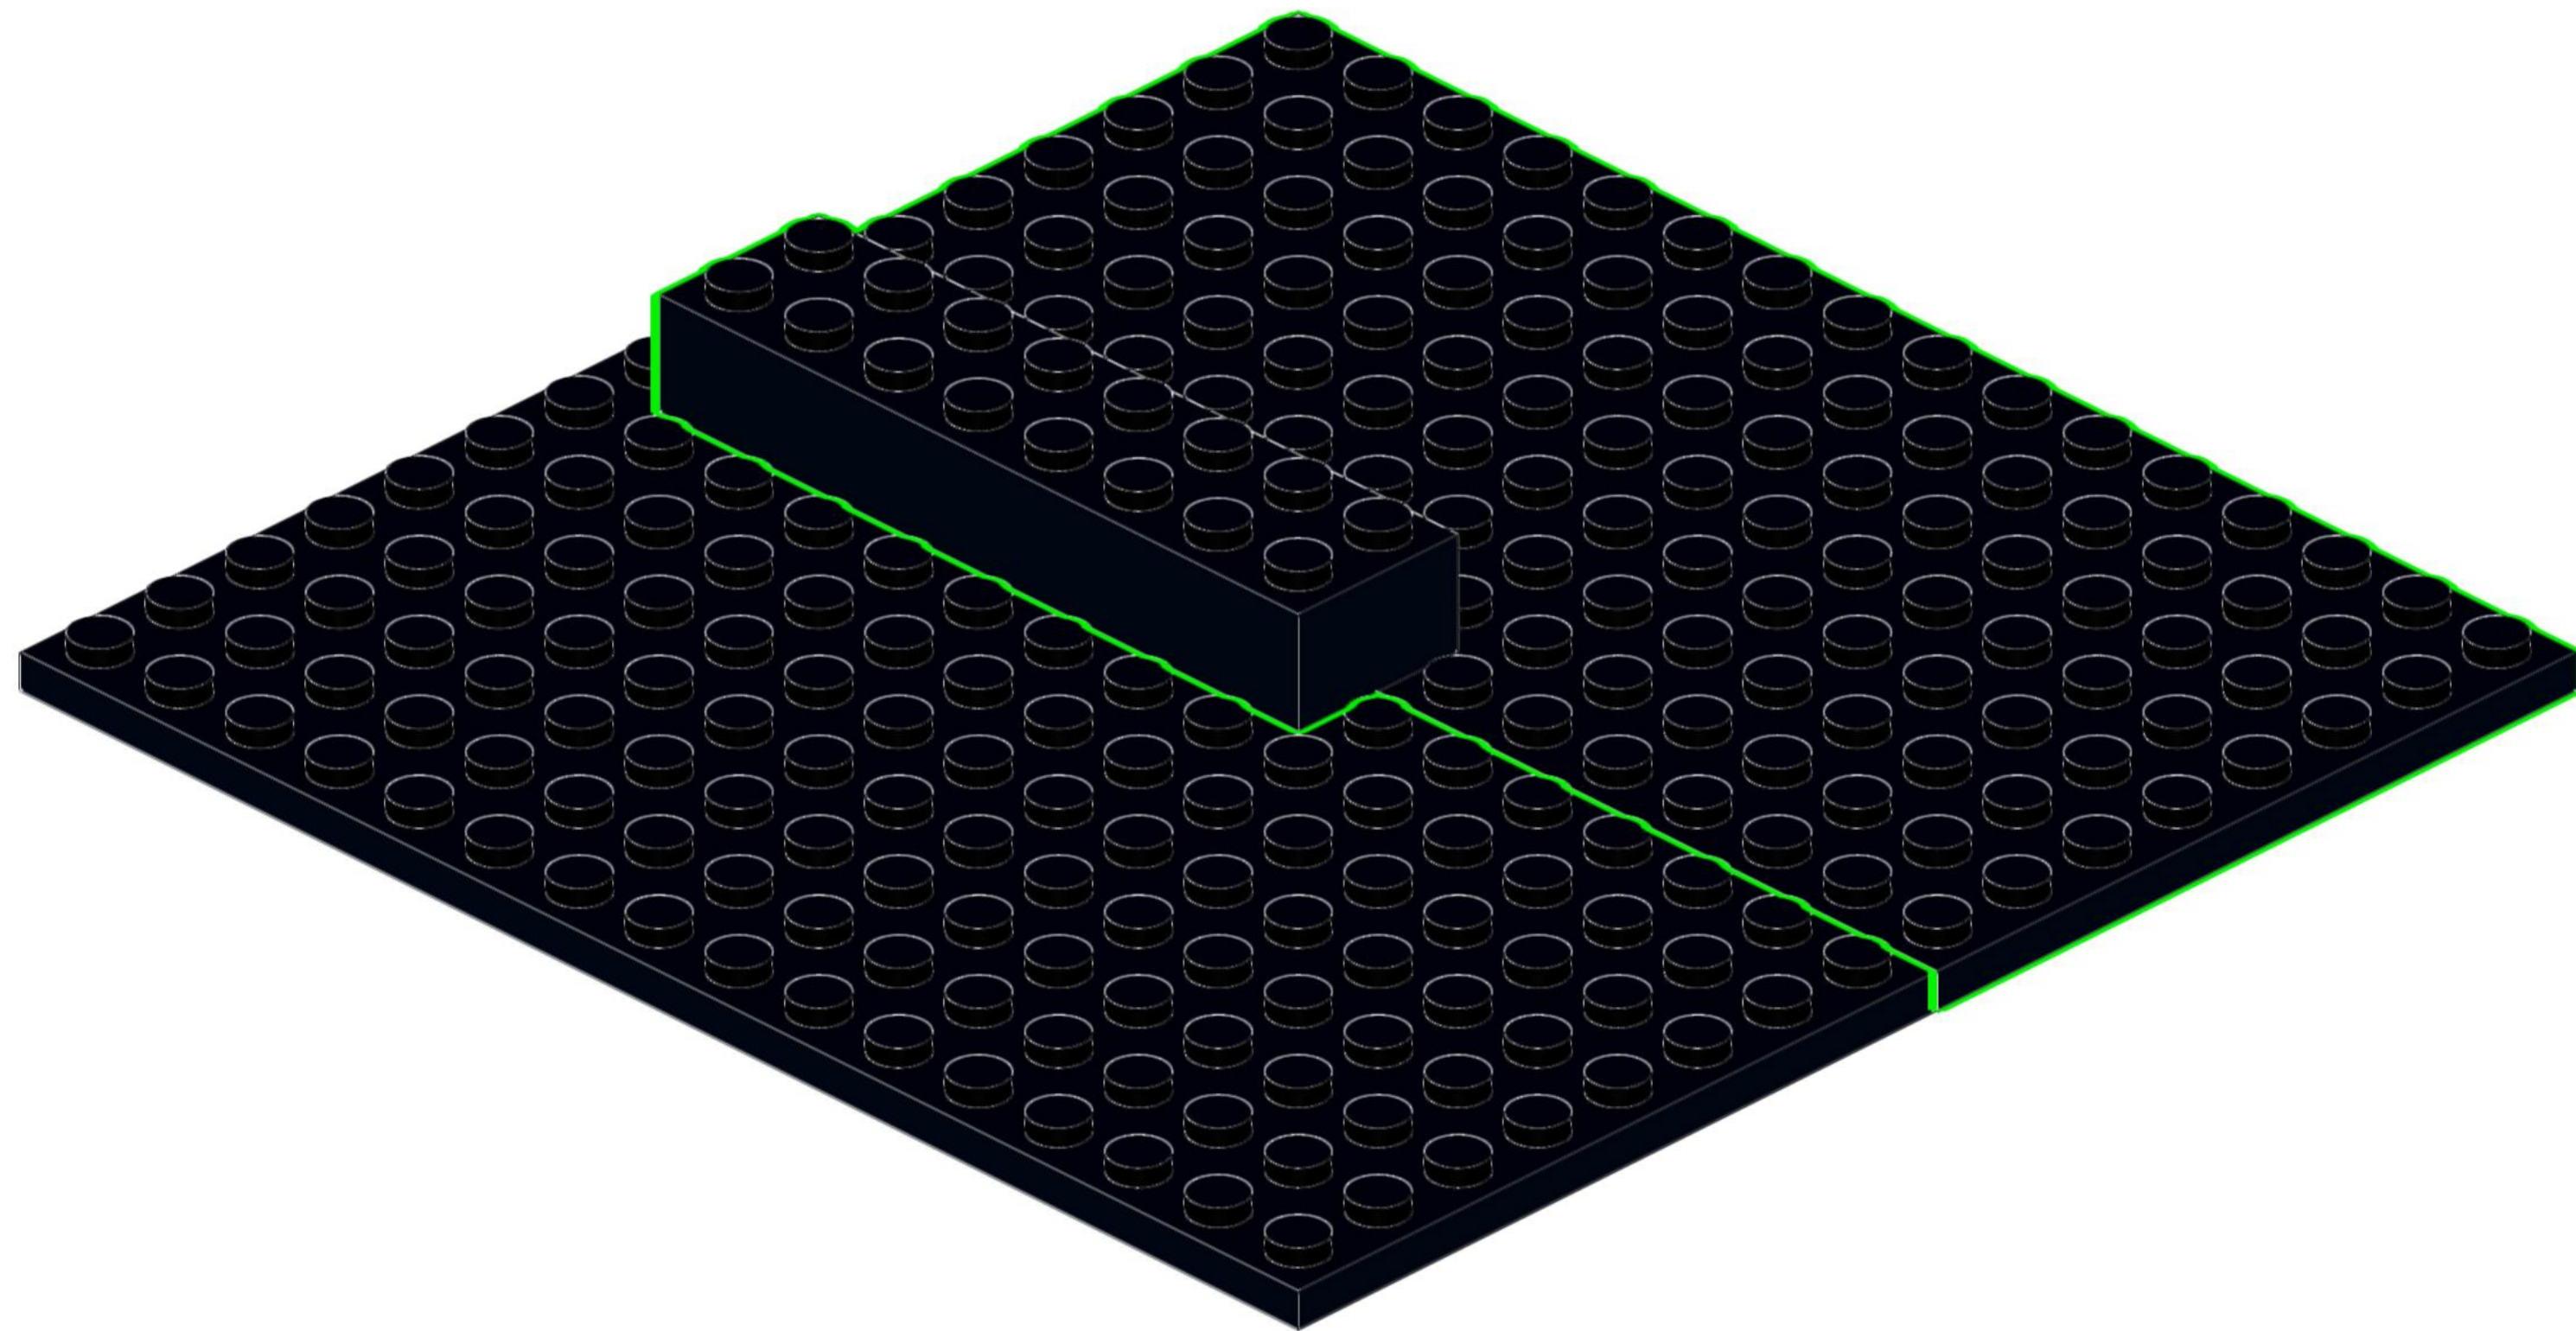

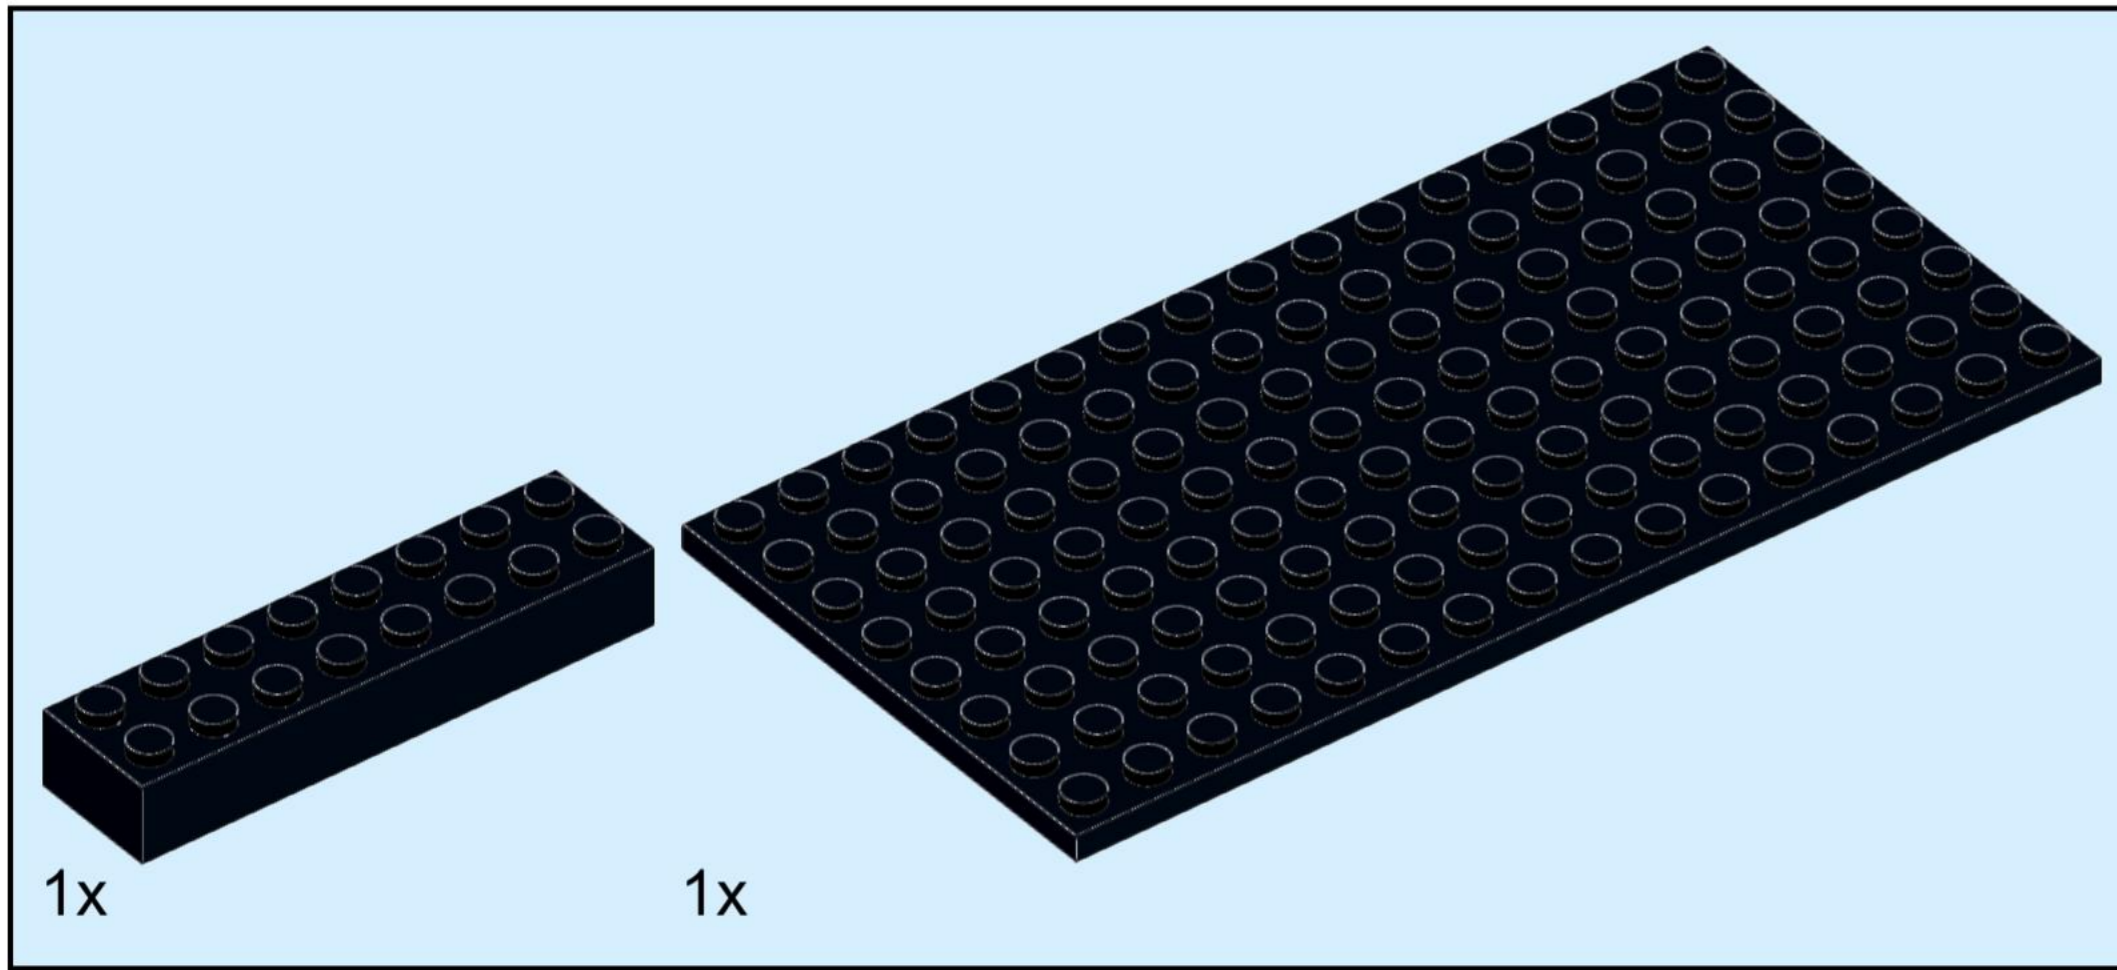

This model represents a fragment of our production line – a symbol of cooperation, precision and commitment being of significant value each day. Just as these elements form a coherent structure, joint actions build lasting relationships, development and quality that you can rely on.

Thank you for being a vital part of this story.
